

# ***HALL COUNTY CITIZENS FOR EFFICIENT GOVERNMENT CONSTITUTION***

PURPOSE: Hall County Citizens for Efficient Government (hereinafter known as HCCFEG) is being organized to protect the interests of Hall County taxpayers by promoting fiscal responsibility and ethics in government through the following:

1. Determining cost of government through objective review of fiscal records and consultation with government officials.
2. Critically analyzing policies, programs, practices and proposals to identify such things as waste, duplication, ineffectiveness or inefficiencies.
3. Sharing with public officials our compliments for wise spending or our concerns with suspect expenditures coupled with suggestion for improvement.
4. Publicly endorsing sound fiscal practices and policies or publicly describing wasteful spending. In other words, we objectively review government projects in order to publicly support those that are cost justified and criticize those that are not.
